

SUMMER SCHOOL AUGUST 2025

Design + Build:
Architectural
Transformation
by Bridging Tradition
and Innovation

Including:
Expert Talks, Excursion,
Design + Build Workshop

Application until
15th of June via Email:

eulist-summer-school@prezier.eu

Co-funded by
the European Union

Federal Ministry
of Education
and Research

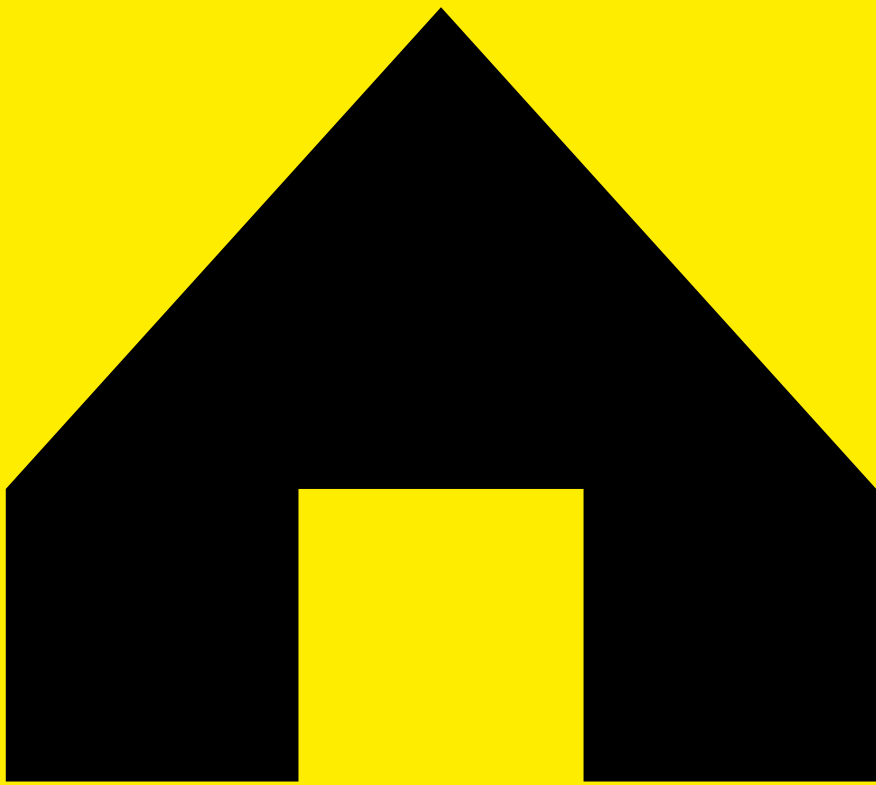

Supported by

Federal Foreign Office

Deutscher Akademischer Austauschdienst
German Academic Exchange Service

At the Summer School, we'll explore adaptive reuse of vacant rural buildings, heritage preservation, local crafts and experimental interventions.

Join us for hands-on work at a half-timbered farmhouse in Prezier and exchange with experts, local community and students from across Europe. Apply now!
