

## WP6 Exhibition “Gender in Research” - country specific screening

### Czech Republic (TACR)

#### support structures

<p><b>NKC gender &amp; science</b></p> <p><b>Centre for Gender &amp; Science</b></p> <p><b>Institute of Sociology of the Czech Academy of Sciences</b></p> <p><b>VISION</b></p> <p>The Centre for Gender &amp; Science (originally “for Women and Science”) was established at the Institute of Sociology of the Czech Academy of Sciences in 2001 to address gender equality issues in research in the Czech Republic. Today, we are the only specialized gender and science centre focused on research, policy and practice.</p> <p>Gender equality in research is for us a cornerstone of excellent research and robust research findings addressing the needs of all people. Membership in <u>international networks</u>, projects and associations is vital for our reflections of where we are coming from, where we are and what we can achieve for gender equality research in the Czech Republic.</p> <p><b>OUR WORK</b></p> <ul style="list-style-type: none"><li>• We carry out research into gender inequity in research. Specifically we study women’s and men’s careers in research, career advancement, excellence and research assessment, the position of early-career researchers and PhDs, mobility and the transformation of research and innovation and research and innovation policy from a gender perspective</li><li>• We monitor evolution of gender equality in Czech research overtime</li><li>• We serve as experts on expert groups and advisory bodies in the Czech Republic (Office of the Government, Ministry of Education, Youth and</li></ul>	<p><b>Jilská 1</b></p> <p><b>110 Prague 1</b></p> <p><b>Czech Republic</b></p> <p>Telephone number: +420 210 310 322</p> <p>Email: <a href="mailto:nkc@soc.cas.cz">nkc@soc.cas.cz</a></p> <p>URL: <a href="http://en.genderaveda.cz">en.genderaveda.cz</a></p> <p>Facebook: <a href="http://www.facebook.com/NKCgenderaveda">www.facebook.com/NKCgenderaveda</a></p> <p>LinkedIn: <a href="https://www.linkedin.com/company/nkc-gender-science">NKC gender &amp; science</a></p> <p>Twitter: <a href="https://twitter.com/NKC_CZ">twitter.com/NKC CZ</a></p>

## literature

Gender & social sciences and humanities only, no gender in STEM content available

## networks

<p><b>WORKING GROUP FOR CHANGE</b></p> <p>The Working Group for Change was established in January 2015. It brings together people from research and higher education institutions from all over the Czech Republic who are actively involved in the systematic promotion of gender equality in their institutions or are interested in starting to implement cultural and institutional change projects. Members of the group have the opportunity to share their experience with each other, develop their (gender) expertise and skills, and gain practical advice and inspiration.</p> <p><a href="http://genderaveda.cz/en/structural-change/">http://genderaveda.cz/en/structural-change/</a></p>	<p>JANA DVOŘÁČKOVÁ coordinator</p> <p><a href="mailto:jana.dvorackova@soc.cas.cz">jana.dvorackova@soc.cas.cz</a></p> <p>+420 210 310 322</p>

#### RFO - gender in the research content

<p><b>Technology Agency of the Czech Republic (TACR)</b></p>	<p>consideration of the gender in the research content is not required in the national programme scheme</p> <p>however, in the ETA programme for the applied research in the social sciences and humanities there is an explicit but still voluntary possibility to take into account the gender perspective into the research content = 1 supported project (<b>The use of the humanoid robot in promoting active ageing in older men and women</b>, project on the early stage of its lifecycle)</p> <p>TACR is a member of the GENDER NET ERA NET where the consideration of the gender in the research content is a matter of the supported research projects (<b>3 supported projects</b> with Czech participation, no STEM orientation)</p>
<p><b>Czech Science Foundation (GACR)</b></p>	<p>consideration of the gender in the research content is not required</p>
<p><b>other RFO</b></p>	<p>consideration of the gender in the research content is not required</p>
