Entry requirements to Sweden

Please note that citizens of certain countries do not require a visa to enter Sweden if staying shorter than 3 months. See the [list of countries that do require a visa for entry into Sweden](#) or contact the Swedish Embassy or consulate in the home country for more information.

Insurances

The students are covered by Personal Injury Insurance for students. The insurance applies in Sweden and covers injuries during school hours and during travel to and from the location where school hours are spent. Since the insurance is for emergencies only, students are recommended to purchase separate insurance of their own, especially if they plan to travel outside of Sweden.
