## Internship Sustainable Design (m/f/d)

at Direktorenhaus (Berlin)

### Overview Direktorenhaus

Direktorenhaus in Berlin is one of the leading exhibition houses for applied arts in Germany. Since 2010, the museum in the center of the German capital, run by the Meisterrat (German Craft Council), presents selected unique pieces, limited series as well as conceptual design objects. The exhibitions focus on the latest trends in the applied arts. At the same time, the Direktorenhaus does not only show «aesthetic phenomena»: Equally important is the increased importance of design in politics and society, especially in the field of sustainable future planning.

### Tasks

- Creating and developing an organization's short- and long-term sustainability strategies
- Monitoring and evaluating the effectiveness of sustainability projects and when needed, recommending changes to close strategic gaps
- Assist in the creation of sketches, design visualizations and layout

### Qualifications

- Student in Sustainable Design, Interior Design, Product Design
- Understanding sustainability in the context of sustainable future planning
- Excellent verbal and written knowledge of the English language. Knowledge of German is considered a strong advantage
- You have already gained your first practical design experiences and can show them in a portfolio

### **What can we offer you?**

- The opportunity to benefit from our colleagues who have many years of professional experience
- Self-responsibility, flat hierarchies, and fast decision-making processes
- A motivated, helpful, and open-minded team
- A nice workplace in our showroom in a central location
