Date:

Signature:

Questionnaire for starting with the Career Mentoring Program

We would like to get an impression about your expectations and motivation to participate in our Career Mentoring Program. The following questions serve as a self-reflection tool for yourself and give us an initial orientation.

Please send it to stefanie.madsen@tuwien.ac.at no later than October 17, 2021, 23.59 pm together with your application form. Thank you.

1. Motivation and expectations:

How did you become aware of the program?

What appealed to you about mentoring at this particular point in your career?

What do you hope to gain from participating in the program?

For your personal development

For your career

What do you expect from
your mentor

the group of mentees

from the other parts of the program (workshops, networking events etc.)

2. Previous career and possible next steps

How has your career evolved since your start as a TU Wien Postdoc?

Name some important steps what you accomplished:

What difficulties / difficult phases have you encountered?

Were there any turning points?

Which situations and phases did you experience as beneficial for your career?

Next steps

What might a possible next step look like?

Which of your skills and resources could contribute to attain the next step?

What else do you need for this possible next step?

3. Mentoring goals

What goals would you like to pursue by participating in the mentoring program?

1.:

2.:

3.:

4. Own contributions

What can you yourself contribute to the one-to-one mentoring relationship?

What can you yourself contribute to the mentee group?

5. Your mentor

Mentor already available

Do you already have a specific person would like to become your mentor?

yes no

Do you already have the commitment of your potential mentor?

yes no

If you already have a commitment from a mentor, please provide us with the person's contact details:
