

Lions Sponsorship 2021

In 2021 the **Lions Club of Vienna St. Stephan** awards again

a sponsorship of 4,000€

to a PhD student of TU Wien.

Requirements:

- inscription of a **PhD study at TU Wien**
- excellent achievements during the study career (bachelor, master)
- formulation of a thesis in the **TUW research focal area energy and environment** (details on the research fields and subjects can be found at <http://energiewelten.tuwien.ac.at> (only german))

Use of sponsorship:

The funding serves the support for necessary expenses within the scope of the PhD study – in particular for **study trips abroad**, for the participation in national and international **scientific congresses** and for **scientific publications**.

The payment to the Prize Winner is carried out by the TU Wien Research Centre Energy and Environment against proof of the appropriate and tender-conform expenditures.

Award of the Sponsorship

The submissions are examined by a jury with representatives of the Lions Club and the TU Wien ¹. The Prize Winner will be announced in May, 2021.

Application and contact

Applications can be transmitted directly at:

<https://www.tuwien.at/en/research/funding-opportunities/awards/lions-sponsorship/submission>

Deadline: **26th March 2021**

The submission documents have to contain a *motivation letter* (in particular need and demonstration of use of the subsidies, PhD Topic, supervisor, institute) and an *abstract* of maximum 2 pages with details about the scientific work with respect to the thesis (working title, statement of the personal methodical contribution and the new research aspects). *Curriculum vitae*, *university certificates*, and a *detailed publication list* (SCI/non SCI) are also to be added.

Vienna, January 2021

¹ The jury can refrain from awarding of a price if it comes to the conviction that no prize-worthy work is existent. No legal action can be taken against judgements and decisions of the jury.
