

TECHNISCHE
UNIVERSITÄT
WIEN

Curriculum Vitae

*Univ.Prof. Dipl.-Ing. Dr.techn. Dr.h.c.mult.
Josef Eberhardsteiner*

Born in 1957 in Ansfelden

- 1983: Completed Civil Engineering degree at TU Wien
- 1989: Completed doctorate at TU Wien
- 1983 - 2001: Assistant Researcher at the Institute for Mechanics of Materials and Structures at TU Wien
- 1992 - present: Head of the Laboratory for the Institute for Mechanics of Materials and Structures
- 2001: Completed post-doctoral qualification (habilitation) in the field of 'Mechanics of Materials and Structures'
- 2001 - 2003: Associate Professor at TU Wien
- 2003 - present: Full Professor for 'Simulation of Materials and Structures in Civil Engineering' at TU Wien
- 2004 - 2007: Head of the Institute for Mechanics of Materials and Structures at TU Wien
- 2004 - 2007: Vice-Dean of the Faculty of Civil Engineering at TU Wien
- 2004 - present: Joint Head of the Laboratory for Micro- and Nanomechanics of Biological and Biomimetic Materials (together with Prof. Zysset)
- 2007 - present: Chairman of the KMM-VIN (Virtual Institute on Knowledge-Based Multifunctional Materials) General Assembly and Governing Council
- 2008 - 2015: Dean of the Faculty of Civil Engineering at TU Wien
- 2013 - present: full member of the Austrian Academy of Science
- 2015 - present: Vice Rector for Infrastructure at TU Wien
- 2017 - present: Vice president of the European Community of Computational Methods and Applied Sciences (ECCOMAS)
- 2017 - present: Chairman of the Science Commission at the Austrian Federal Ministry of Defense
- 2019 - present: Vice Rector Digitalisation and Infrastructure at TU Wien

Fields of research and specific areas of interest: Experimental and numerical mechanics, macro- and micro-mechanical material modelling
