

SURVEY

As you are currently in negotiations regarding a professorship with the Rector of the Vienna University of Technology, I would like to ask you to complete this survey.

Your answers will help me assist you and your family during your first steps into the Austrian labour market.

The Dual Career Advice helps partners of professors newly appointed to TU Vienna look for a job and offers support to the family in private matters (kindergarten, schools, etc.).

The Dual Career Advice at the Vienna University of Technology is not a careers guidance office. Taking up its services does not guarantee finding a job.

With my signature I accept that the data and documents (including the CV) I provide may be for-warded to third parties as long as this serves the goal of facilitating my entry into the Austrian job market or helping my family get settled in Vienna.

Date

Signature of the Partner
