SOCIAL EVENTS

CONFERENCE BANQUET

Wednesday 21.09.2011, Stift Klosterneuburg

Please bring the Dinner Invitations handed out upon Registration!

Meeting point for the bus transfer to Klosterneuburg will be announced during the conference.

Klosterneuburg was founded in 1114 by Leopold III, Margrave of Austria and his wife Agnes. It became a house of Augustinian Canons in 1133.

This foundation is one of the oldest and richest of its kind in Austria and owns much of the land upon which the north-western suburbs of Vienna stand.

The impressive building complex, the greater part of which was constructed between 1730 and 1834, stands on a hill rising directly from the banks of the Danube.

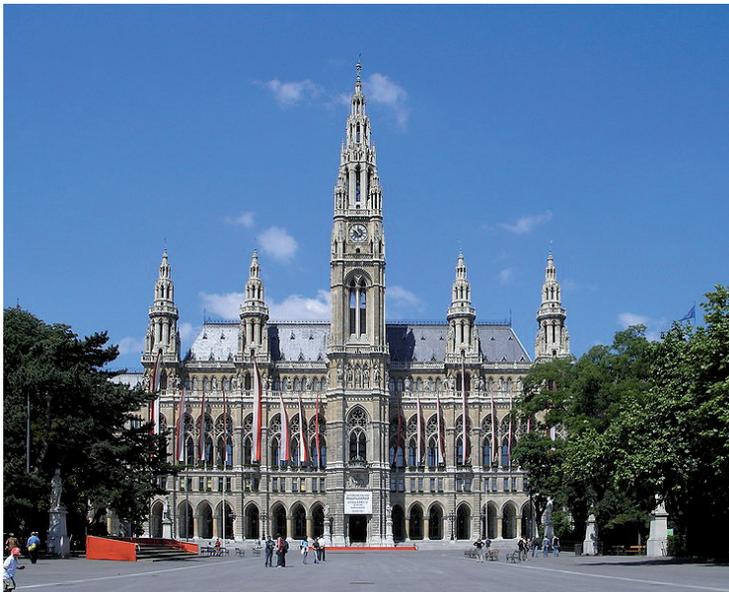

Stift Klosterneuburg

CONFERENCE RECEPTION

Thursday 22.09.2011, Vienna City Hall (Rathaus)

Please bring the Reception Invitations handed out upon Registration!

A walk to the Rathaus will take you along the Ringstraße, Emperor Franz Josef's circular boulevard surrounding the inner city of Vienna. Crossing Karlsplatz, the tour starts at the Opera House and passes along many of Vienna's main attractions: the Hofburg Palace (the president's residence), the Burg garden, Kunst-historisches Museum (Museum of Fine Arts), Natur-historisches Museum (Museum of Natural History), the Parliament and the Burgtheater, finally traversing the Rathauspark, the garden of Vienna's City Hall. If you prefer faster transfer, you can take tram line 1 or D at the Opera and go to Burgtheater, which is facing the City Hall.
