

Einladung zum Vortrag

**Long term pollution from landfills -
addressing industrialised and developing
countries**

Dr. Cecilia Öman

International Foundation for Science (SWE)

23. November 2009

13.00 – 14.30 Uhr

Seminarraum 225,

(Hauptgebäude der TU Wien, Karlsplatz 13, Stiege V, 2. Stock)

The presentation will focus on the long term emissions from landfill and adverse effects associated to these landfill borne pollutants under different socio-economic conditions. Several case studies will be discussed.
