

▶ Registration and Abstract Submission

<http://www.anakon2023.at>

Registrations and abstract submission opens on the website on June 15, 2022.

Please address your queries to:

Conference Secretariate ANAKON 2023
Email: office@anakon2023.at
Tel.: +43-1-58801/15101

▶ June 15, 2022 - registration opens for Lectures and Poster contributions

The special charm of ANAKON lies in the fact that scientists at all career levels can present their work. Contributions from both, academia and industry are very welcome.

The Scientific Committee cordially invites oral and poster contributions from everyone working in the field of Analytical Chemistry.

The conference language is English in order to take account of the strong internationalization of research.

▶ Deadlines

Opening of Abstract submission	June 15, 2022
Abstract Submission Deadline	November 15, 2022
Acceptance information	December 01, 2022
End of 'Early Bird'-Registration	December 15, 2022
End of Regular Registration	February 28, 2023

▶ Conference Chairs

Univ.Prof. Dr. Martina Marchetti-Deschmann
Ao.Prof. Dr. Erwin Rosenberg
Assoc.Prof. Dr. Victor Weiss

Division of Analytical Sciences

ANAKON 2023

April 11-14, 2023

Vienna

Austria

Invitation

We cordially invite you to ANAKON 2023, which is being held at the Vienna University of Technology and co-organized with the Austrian Society for Analytical Chemistry (ASAC) within the GÖCH, the Analytical Chemistry Section of the German Chemical Society (GDCh), and the Division Analytical Sciences of the Swiss Chemical Society (SCS).

ANAKON 2023
April 11 - 14, 2023

After a four-year break, it is again possible to meet at ANAKON 2023 in person. We are therefore extremely pleased to be able to host this joint conference of the Austrian, German, and Swiss Societies for Analytical Chemistry in Vienna.

The rapid development that we have witnessed in all important areas of our lives in recent years would have been unthinkable, if not impossible, without the contributions and achievements of Analytical Chemistry. This aspect in particular was brought to the attention of the general public by the corona pandemic.

As the most important joint conference and at the same time the flagship conference for Analytical Chemistry in the DACH region, ANAKON 2023 offers the unique opportunity for personal scientific exchange between analytical chemists from different countries.

ANAKON 2023 will be held at the TU Wien, which, with over 27,000 students and more than 3,500 scientists, is the largest technical and scientific research and educational institution in Austria. Vienna is not only a modern city of science and technology, but also widely known for its culture and hospitality. Numerous museums, cozy cafés, inviting restaurants and a historic old town that has been declared a UNESCO World Heritage Site make a visit to Vienna an experience for all the senses, even when you are away from work.

We look forward to welcoming you in Vienna!

Fees / Program

▶ Registration Fee

	Early Bird	Regular	On Site
Regular Fee	500,-	750,-	850,-
Reduced Fee (GÖCH, GDCh, SCS)	350,-	550,-	650,-
Student	300,-	450,-	550,-
Student reduced (GÖCH, GDCh, SCS)	200,-	300,-	400,-

Social Event has to be booked separately during the registration.

▶ Topics

ANAKON 2023 is a conference open to all topics and aspects of modern Analytical Chemistry. Both, basic research, methodically oriented work and relevant applications can be presented.

- Analytical Separation Techniques
- Surface Analysis
- Imaging Methods
- Chemo- and Biosensors
- Miniaturization
- Sample Preparation
- Chemometrics
- Hyphenated Techniques
- Bioanalytics
- Element/Speciation Analysis
- Industrial Analysis
- Clinical Analysis
- Food Analysis
- Process Analytics
- Environmental Analysis
- Material Analysis

▶ Further Program

April 11, 2023 Welcome Evening at conference site
April 13, 2023 Social Evening
April 14, 2023 Farewell

▶ Special Meetings organized by ASAC, GDCh, SCS

Check the website for announcements.

Information

▶ Submission of Orals and Poster Abstracts

Please submit your contributions online from June 15, 2022 on according to the guidelines at:

<https://www.anakon2023.at>

The scientific committee decides on the acceptance and form of the presentation based on abstract submissions. Selection criteria are in particular the degree of novelty of the work and its relevance for the field. Submissions until November 15, 2022 can still be considered for oral and poster presentations.

▶ Publications

Abstracts of all contributions will appear in a conference volume with an ISBN number, which the participants will receive at the beginning of the event.

▶ Conference Site

The ANAKON 2023 will be organized in the Freihaus of TU Wien, Wiedner Hauptstrasse 8-10, 1040 Vienna, right in the center of Vienna.
