

Partnership at the IFM Congress

15th International Facility Management Congress

17th and 18th of November 2022 | TU Wien

The IFM Congress is **THE FM event of the year** where the industry from practice and research comes together to present and discuss current topics, problems and solution approaches and processes in FM. This year the **15th International Facility Management Congress** takes place from 17th to 18th of November 2022 at TU Wien.

Decision-makers and key players from companies all over the world use the IFM Congress to find out about the following topics, among others:

- New Ways of Working, Workplace Management: How will we work in the future after Covid-19?
- Sustainability: Green Deal and the Impact on FM
- ESG: Successful implementation in real estate
- Digitization in FM – How much do we need and what really pays off?
- Real Estate/FM after Covid-19
- Start Ups/PropTech and RE/FM
- International trends in FM
- The global economy after Covid-19 and the impact on the real estate and FM industries
- International Workplace – what can we expect in the future
- Scientific lectures on the topics of digitization, workplace and facility services

The following management functions are addressed:

Management (CFO, CEO or MD), facility manager, heads of organizational development

Interlocutors at the congress:

Finance managers responsible for FM meet with facility managers, well-known scientists with providers of modern solutions and real estate managers with investors

Media partners:

i.a. Der Standard, Kurier, Industriemagazin, Immobilienmagazin, Solid, a3 Wirtschaftsverlag, ...

Take advantage of THE annual meeting place for the facility management industry in Austria, to present the potential of your solutions to a top-class target group!

The IFM Congress 2022 of the TU Vienna will again be held in hybrid form – on site at TU Wien and live online. Our partners again have the opportunity to choose from different packages in order to present and participate in the congress. In addition to the traditional presentation options, we can again offer a virtual topic table during the lecture breaks.

Your appearance at the 15th IFM Congress 2022 – leave a lasting impression!

Our various innovative partner packages offer you many options and ensure you an impressive appearance before, during and after the congress. This gives you the opportunity to position and present your company in a special way, to make new contacts or to intensify existing relationships.

Put together an individual event presentation with us that is tailored to your needs. Present yourself as a competent partner in the FM network and use our attractive partner offers as your communication tool.

We are looking forward to your inquiry and cooperation!

Participants of the Innovation Challenge**-25% discount on the selected partner package***Digitization has reached the real estate and facility management industry!*

Digital transformation, well-being, sustainability and ESG are currently on everyone's lips. PropTechs, as well as already established companies, make an important contribution to the development of the real estate industry with their innovative solutions, including products for real estate managers, asset managers, brokers and experts as well as property developers. Striving for constant further development of the industry has connected the IFM of the TU Wien and ÖVI for a long time. Together they would like to use their expertise and their network and cordially invite you to participate in the Innovation Challenge.
