

MOHAMMED FARAAZ ALI
M.Sc in Biotechnology
E-Mail : faraaz.ali@tuwien.ac.at

Date Of Birth : 20 October 1992
Nationality : Indian

EDUCATION

- Mar. 2008 - Mar. 2010 **Christ Junior College, Bangalore, India**
Higher Secondary School
Major : Physics, Chemistry, Mathematics, Biology
- Sept. 2010 - Jul. 2014 **B.M.S College of Engineering, Bangalore, India**
Bachelor of Engineering in Biotechnology
Bachelor thesis : Isolation and characterization of
Actinomyces producing cysteine protease
- Oct. 2018 - Jan. 2021 **Universität für Bodenkultur, Wien, Austria**
Biotechnology M.Sc
Master thesis at Agrarbiotechnologie, IFA-Tulln.
Title : Increasing the reactivity of kraft lignin by
implementing biobased processes

PROFESSIONAL QUALIFICATIONS

- Jun. 2013 - Aug. 2013 **National Bureau of Agriculturally Important Insects, Bengaluru, India,**
Internship : Use of 16s rDNA sequence analysis in the
identification of insect associated bacteria
- Aug. 2014 - Sept. 2016 **Project assistant at ICAR-National Bureau of Agricultural Insect Resources, Bengaluru, India**
Project title : Mapping of cry gene diversity in hot and humid
regions of India
- July 2022- Technician in Integrated Bioprocess Development group of Prof. Oliver Spadiut at the University of Technology Vienna (TU Wien)

LANGUAGE AND SOFTWARE

- English (IELTS Academic - C1)
- German (Elementary)
- Hindi (Mother tongue)
- Indian Languages (Tamil, Kannada, Urdu)
- Proficient in MS Office (Word, Excel, Powerpoint)
- Good knowledge of Pymol, Mega7, R, Copasi, ImageLab, Spectrum™ software, Chromeleon 7
