

Short CV of Ansgar Jüngel

Education

1985–1991	Studies at the Technical University (TU) Berlin (Germany)
1989–1990	Studies at the Ecole Normale Supérieure in Paris (France)
1994	Ph.D. (Dr. rer nat.) at the Department of Mathematics, TU Berlin
1997	Habilitation at the Department of Mathematics, TU Berlin

Academic Career

1991–1996	Research Associate, Department of Mathematics, TU Berlin
1996–1997	Assistant Professor, Department of Mathematics, University of Rostock
1997–1999	Assistant Professor, Department of Mathematics, TU Berlin
Spring term 1999	Professeur invité, Université de Nice, France
1999–2002	University Professor, Mathematics, University of Konstanz (Germany)
2002–2006	University Professor, Mathematics, University of Mainz (Germany)
2006–today	University Professor, Institute of Analysis and Scientific Computing, TU Wien (Austria)

Responsibilities

2008–2012	Speaker of the doctoral school <i>PDEs in Technical Systems</i> , TU Wien
2013–2022	Speaker of the doctoral school <i>Dissipation and Dispersion in Nonlinear Partial Differential Equations</i> , TU Wien, Uni Wien & IST Austria
2014–today	Speaker of the Vienna Center for Partial Differential Equations, TU Wien
2019–today	Deputy speaker of the Vienna School of Mathematics

Academic Awards

1988–1991	Scholar of the German Scholarship Foundation (Studienstiftung des deutschen Volkes)
1992	Erwin-Stephan Award of the TU Berlin
1999	Gerhard-Hess Award of the Deutsche Forschungsgemeinschaft
2011	Tsungming-Tu Award of the National Science Council, Taiwan
2012	John von Neumann Visiting Professorship Award, TU Munich, Germany
2021	ERC Advanced Grant, European Research Council
