

## **Tibor Grasser – Short Bio**

Prof. Tibor Grasser is an IEEE Fellow and head of the Institute for Microelectronics at TU Wien. In 2022 he received an ERC Advanced Grant for his work on insulators for 2D materials. He has edited various books, e.g. on the bias temperature instability, hot carrier degradation, and low-frequency noise (all with Springer), is a distinguished lecturer of the IEEE EDS, has been General Chair of various leading semiconductor devices conferences, is the recipient of numerous Best and Outstanding Paper Awards as well as the IEEE EDS Paul Rappaport Award (2011). He currently serves as an Associate Editor for IEEE T-ED, following his assignment with Microelectronics Reliability (Elsevier).
