*Introduction (Koren, Emberger) **

C. Koren and G. Emberger welcome all participants to the 6th and Final Advisory Board Meeting VKM AT-HU in Győr.

*Progress report AT (Leth) **

U. Leth shows the tasks carried out by the AT project team since the last Advisory Board Meeting, including the merging of networks and the calibration.

*Progress Report HU (Horváth) **

B. Horváth presents the tasks carried out by the HU project team.

*Final network (Leth) **

U. Leth presents the Final network a statistical overview of the used data.

*Demand model VISEVA (Leth) **

U. Leth talks about the trip-based transport demand model VISEVA and its application in the VKM AT-HU model.

*Demand model VISEM (Ripka) **

I. Ripka shows the results of the tour-based demand model VISEM.

*Scenarios (Koren) **

C. Koren shows the modeled scenarios and their multi-modal results.

*Data rights (Emerger) **

G. Emerger starts the discussion about the rights on the developed cross-border model. Ch. Wampera would welcome a cooperation on ministry level. The question remains who should be the partners in a cross-border agreement, and who will run and maintain the finished model.
