

RUBEN STOPPER

PROFESSIONAL HISTORY

- Jan 2025 – Today** **Doctoral Student**
Technical University Vienna (AT)
- Assistant in the research group for Integrated Bioprocess Development.
- Nov 2023 – Aug 2024** **Master Student**
Boehringer Ingelheim RCV GmbH & Co KG, Vienna (AT)
- Diploma thesis in the Unit Downstream Development Bench.
 - Optimization of a process for primary recovery of a therapeutic biologic.
- Oct 2023** **Intern**
Evolagic Technologies GmbH, Vienna (AT)
- Work rotation from the bench scale laboratory to the production plant.
- Mar 2023 – Jul 2023** **Student Tutor**
University Of Natural Resources And Life Sciences, Vienna (AT)
- Preparation and supervision of Molecular Biology lab courses.
- Sep 2021 – Nov 2021** **Bachelor Student**
Evolagic Technologies GmbH, Vienna (AT)
- Bachelor thesis in the process development department.
 - Development of a formulation process for a biostimulant.
- Mar 2021 – Jul 2021** **Intern**
Evolagic Technologies GmbH, Vienna (AT)
- Process development for the production of a biostimulant.
- Oct 2019 – Nov 2019** **Student Tutor**
Biberach University of Applied Sciences, Biberach (DE)
- Prepared and supervision of Microbiology Lab courses

EDUCATION

- Nov 2024** **Master program in Biotechnology (Dipl.-Ing.)**
University Of Natural Resources And Life Sciences, Vienna (AT)
Graduated with honors
- Feb 2022** **Bachelor program in Industrial Biotechnology (B.Sc.)**
Biberach University of Applied Sciences, Biberach (DE)
Graduated with honors
- Jun 2018** **High School Diploma**
Paul-Klee-Gymnasium, Rottenburg am Neckar (DE)
(Final Grade: 1.5)

AWARDS

2023	“Leistungsstipendium” Austria's scholarship for very good academic performance
