Following the Swedish tradition of the *fika**, we warmly invite colleagues and especially students of the Faculty of Architecture and Planning to engage in dialogue with coordinators of different Thematic Groups (TGs) of the Association of European Schools of Planning (AESOP). Through this series of virtual get-togethers we would like to show the broad spectrum of AESOP communities and introduce different research traditions in planning, and beyond, and to discuss together new perspectives and current challenges.

Thursdays, quarterly, 13:00-14:30 CET
Online via the link: <https://tuwien.zoom.us/j/98530289143>

This event is hosted by the Interdisciplinary Centre for Urban Culture and Public Space and takes place in the context of the AESOP Heads of Schools Meeting Vienna 2021 and the 50th anniversary celebrations of the Spatial Planning study program.

For participation please register via email to info@skuor.tuwien.ac.at.
